IRP – International Foundation for Research
in Paraplegia invites applications
and nominations for the

IRP Research Prize 2015

The IRP Research Prize will be awarded on the basis of scientific merit to recognize recent achievements in the cellular, molecular and clinical aspects of **spinal cord development, plasticity and regeneration following lesions**.

Eligible for the Prize are young but established group leaders with outstanding achievements in experimental or clinical research related to spinal cord injury and repair.

The Prize sum of **100,000 Swiss Francs** is to be used for research purposes (personnel, equipment or supplies) and will be handed over by IRP to the winner at an award ceremony in autumn 2015 in Switzerland.

Applications and nominations should include:

- Description of his/her accomplishments in spinal cord research (max. 4 pages)
- Reprints or preprints of relevant publications
- Curriculum vitae and list of all publications over the last 5 years.

Deadline for applications and nominations: **October 31, 2014**
