

Activating access to Neuroscience Research

JNS members must follow this one-time process to activate their online subscriptions at ScienceDirect.

To activate access and to create your personal account, you will need your Society Membership Number for the "The Japan Neuroscience Society" (JNS). If you don't know your membership number, please contact the society.

Step 1: Please enter your Society Membership Number, in the Registration Box at the following URL:

Note: If your Society Membership Number starts with zero, remove the first zero.

<https://www.sciencedirect.com/science/activate/nsr>

After entering, click on "continue".

Activation Code redemption

Activation Page

To activate your access to the journal Neuroscience Research, you can enter your membership number of the Japan Neuroscience Society. This number is visible on the bottom line of the label on the envelope in which the bimonthly printed copy *Neuroscience News* is mailed to JNS members.

The next step will allow you to associate an existing ScienceDirect user-profile to this subscription. Once your profile has been successfully redeemed, please login again with your user-profile to the designated Society Site.

If you do not have an existing profile, and are a new user to ScienceDirect, please continue to the registration screen that will allow you to create a user-profile. Once submitted, a unique username will be assigned and you can then set your own password. Your User-Profile will now enable you to login to the Society Site.
